SHAUN M. GALLAGHER, P.E.  
CITY ENGINEER

June 19, 2017

RE: 2017 Street Resurfacing Program  
Bid Opening

City Council:

On June 19<sup>th</sup> the City of Freeport held a bid opening for this year's Street Resurfacing Program. The three (3) bids received were submitted by, Civil Constructors, Inc., Fischer Excavating, Inc., and Martin & Company Excavating. This year we elected to bid a base bid and a larger alternate bid, given that we might see lower than anticipated prices due to competition, declining asphalt prices, limited mobilization, and fewer projects in our region. The apparent low bid for the base bid was submitted by Martin & Company Excavating in the amount of \$265,104.50. The apparent low bid for the alternate bid was also submitted by Martin & Company Excavating in the amount of \$316,139.55.

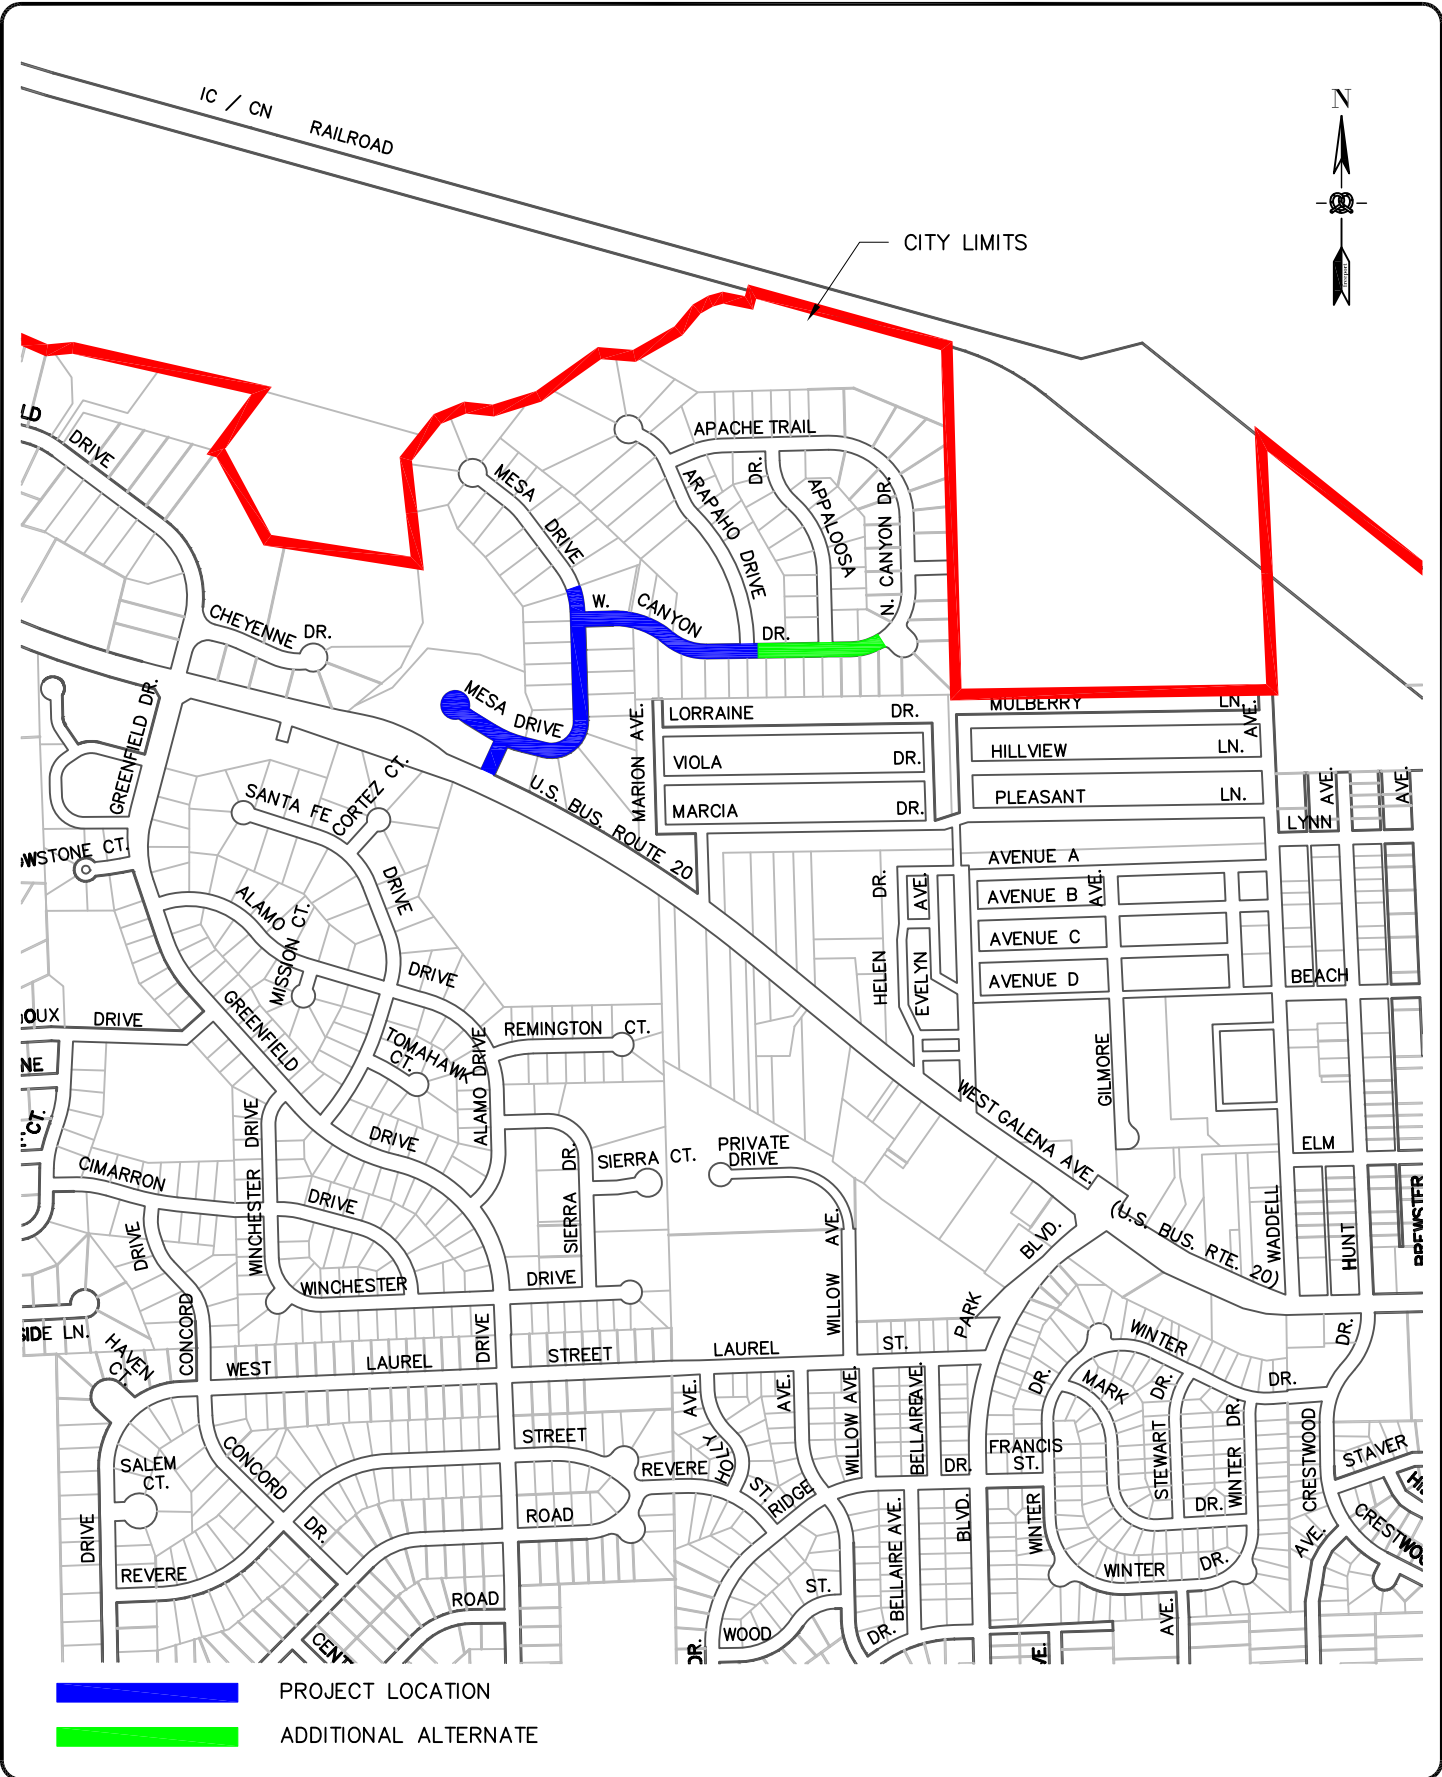

The following was noted by the Illinois Department of Transportation (IDOT) prior to bidding: *Due to the possibility of a bid complaint for your agency's project, as it relates to the "Apprentice or Training Program Certification," the department will not concur with the award of any contract until the eight calendar day following the letting; therefore, the local authority shall not proceed with the award for eight (8) calendar days.*

Based on the low bid, it is my recommendation to award the alternate bid for contract 17-00000-01-GM to Martin & Company Excavating in the amount of \$316,139.55 barring any bid protest in the eight (8) calendar days following the bid opening, as allowed by IDOT.

Copies of the final bid tab and location map are attached. Please feel free to contact me with any questions.

Respectfully submitted by;

Shaun M. Gallagher, P.E.  
City Engineer
