Citizens Fire Academy

Fall 2018 Application

Thank you for your interest in the Citizens Fire Academy. The academy is a five week program that offers residents the opportunity to learn and participate in activities and services provided by the City of Freeport Fire Department. Academy participants will receive an insider's view of Freeport Fire Department operations.

The Citizens Fire Academy is a five week program that meets every Tuesday from 6 p.m. – 8 p.m. Class sessions consist of various presentations and exercises relating to the fire service and EMS led by the Freeport Fire Department. Former class participants have come away from the program with knowledge, experience and a better understanding of the fire service. The academy is not intended to train prospective firefighters, but rather cultivate a relationship between the Community and the Fire Department.

This fall's session will begin Tuesday, October 2, 2018 and will conclude with a ceremony on October 30th. There is no cost to participate in the program. If you have any questions about the program or application, please contact the Office of Fire Administration at 815-235-8217.
