Civilian Police Academy Fall 2018 Application

Thank you for your interest in the Civilian Police Academy. The Freeport Police Department, as a progressive and innovative 21st century police agency, values the partnership and role that citizens play in community law enforcement. The individuals employed by the police department cannot single-handedly change the atmosphere of the city; instituting substantive change must be a collaborative effort between the police department and the community it serves.

To that end, the Freeport Police Department wishes to partner with community members to offer an inside look into the operations of our police agency and the criminal justice system. The Civilian Police Academy is a eight week program that meets every Wednesday from 6:30 PM to 9:00 PM. The class sessions consist of various presentations and dynamic exercises relating to several law enforcement topics. Former participants have come away from the program with a wealth of knowledge and experiences that strengthened their understanding of policing in Freeport and America. Participants will also have an opportunity to ride-along with an officer and observe the operations of the communications center.

Participation is limited, and applications are kept on file for the next session in the event the class session is already full. This fall's session will start on September 12th, and will conclude with a ceremony on November 7th. There is no cost to participate in the program. If you have any questions about the program or application, please contact Ofc. Chris Fidecki at cfidecki@freeportpd.com or call 815-599-5876 x1314. Applications are available on the City of Freeport website and at the police department. Completed applications can be left in the Dispatch Center of the police department or mailed to:

Attn: Ofc. Chris Fidecki
Freeport Police Department
320 W Exchange
Freeport, IL 61032
